The electrical installation shall be performed by the owner/occupant only. No one else shall be permitted to cause such installation unless licensed by the City of Oak Creek as an electrical contractor. Installation by anyone else shall be cause for legal action to be taken by the City of Oak Creek.

I feel I am knowledgeable enough to properly install the electrical wiring I have taken a permit out for. It will be installed according to the National Electrical Code and the Wisconsin Administrative Code NLR 16 in a safe and workmanship like manner.
