

PLUMBING INSTALLATIONS BY HOMEOWNER

In accordance with the State Statute 145.06 and the Oak Creek Municipal Code Section 15.62(e) allows the owner/occupant of a single family dwelling to perform plumbing installation. A plumbing permit must be obtained and inspections called for.

The plumbing installation shall be performed by the owner/occupant only. No one else shall be permitted to cause such installation unless properly licensed by the State of Wisconsin.

I feel I am knowledgeable enough to properly install the plumbing work for which I have obtained a permit. It will be installed according to the Wisconsin Uniform Plumbing Code, Wisconsin Department of Safety and Professional Service (DSPS) 382 and the Wisconsin Administrative Code 145.

I have read and understand the above statements and do hereby acknowledge the above statements.
