

## WHERE DO YOUR PROPERTY TAX DOLLARS GO?

Oh no! It is that time of year where, once again, we have to pay our property taxes. The City understands that most people do not like to pay taxes, but that taxes are necessary to sustain a high quality of life, safe neighborhoods, quality roads, and nice parks and recreational amenities, among many other services. This year, the City wanted to provide additional information to our taxpayers about how your property tax dollars are spent. Here goes...

The City of Oak Creek is only one of several taxing jurisdictions that share your annual property tax payment. Although the City collects your entire tax payment, the City only retains 29.7% (put another way, 29.7 cents of every tax dollar) for City of Oak Creek operations. Other entities, such as Oak Creek-Franklin School District (OCSFD), Milwaukee County, Milwaukee Area Technical College (MATC), and Milwaukee Metro Sewerage District (MMSD) also retain a portion of your annual tax payment (note: new this year, the State is not receiving any local property taxes). Below, residents can view a breakdown of how the City distributes your property tax dollars among the multiple taxing jurisdictions.

### 2017 Tax Dollar Breakdown

To restate, the dollar bill graphic above shows that only 29.7% of the funds coming from your property tax dollars are used to operate the City of Oak Creek. The remaining 70.3% of your annual property tax payment goes to other taxing jurisdictions that make their own financial and policy decisions.

For example: an Oak Creek taxpayer with a property valued at the City's median home value of \$196,000 would pay a total tax bill (real estate only) of about \$4,228 based on the combined tax

rate from all taxing jurisdictions of \$21.57/\$1,000. **NOTE: The new tax rate is 68 cents/\$1,000 of property value less than last year's tax rate.** The City of Oak Creek's share of that total for City operations is \$1,256. The other \$2,972 goes to fund the operations of all the other taxing jurisdictions shown in the dollar bill above.

## MONTHLY COSTS FOR CITY SERVICES

When doing our household budgets, many of us look at our expenses on a monthly basis. To give you, our residents, an idea of the monthly costs for the suite of City services you receive, we have further itemized "where your tax dollars go." Keep in mind, the monthly example includes only the \$1,256 you pay to operate the City of Oak Creek. On a monthly basis, that amounts to \$104.70 (\$1,256/12 months = \$104.70 per month). Breaking that amount out on a monthly basis, the \$104.70 (based on a property valued at \$196,000) is allocated to the following City services as follows:

Now, put the above monthly costs side-by-side with your other monthly expenses. What do you pay for your cell phone? What about your bill for cable television? A typical cell phone or cable bill is probably more expensive on a monthly basis than what you pay monthly for the full range of Oak Creek services and amenities!
